August 2023

Here's to a new School Year!! We can't wait to get started.

Our theme this year is **WATCH US GROW**!!
- we grow in our learning
- we grow as community
- we grow as leaders

Here are some other notes:

1) The **First Day of School is August 30th**. We can't wait to see you!

2) You can access **this year's calendar** and **school supply lists** through our website.

3) **Education is a PARTNERSHIP.** Every study shows where school and home are partners students are more successful. THANK YOU for your commitment to this partnership. Thanks for ensuring your child is out the door in the morning and ready for the day. Please know **you are always welcome in the school.** If you EVER have questions or concerns please don't hesitate to give me a call.   Your first line of communication is through your child's teacher but I am always willing to help in any way I can.

4) **As part of this partnership we will be sharing some of our Leader In Me resources in each newsletter.** These are family ideas so you can help review the Leader in Me concepts. There have been over 30 private research studies done on Leader in Me and the studies prove (without a doubt) that Leader in Me –
    – positively impacts students' behavior.
    – helps students build the skills and competencies for student achievement.
    – shows an increase in students taking personal responsibility for their actions.
    – "At least 85% of the students indicated agreement that their teacher cared about them, they liked going to school, and they are learning a lot."

It really is a privilege to be part of Lomond Community School. **Please don't hesitate to contact me at any time (403-331-5552) or melissa.gartly@horizon.ab.ca.**

It's going to be a GREAT year,

Melissa Gartly
